Members are reminded that Shop Supervisors are authorized to close the shop if no one is using the shop within the first two hours of the Supervisor's shift. If you plan to come to the shop in the second two hours of a shift you are urged to call the shop to make sure the Supervisor is "on duty". Shifts begin at 9:00AM, 1:00PM and 5:00PM.

Mentoring sessions and other Guild work sessions are planned at various times during the month. Such work sessions usually involve some restrictions on shop activities. Please consult the Guild website and/or the current shop schedule for information on any scheduled restrictions. Every effort is made to keep these sources up to date.

Shop cutting tools (bits, blades, chisels, lathe turning tools, etc.) are to be sharpened only by shop staff members. If a tool needs attention, please notify the Shop Supervisor on duty. Shop users are welcome to use shop facilities to sharpen personal tools.

This schedule indicates the hours the shop is open for members and the Supervisor who will be at the shop at that time.
